MOD. O100

www.micronovasrl.com
MOD. N100

Model: Fumis Alpha 05-230-80X
Type: Palazzetti 002520700
Input: 230 V, 50/60 Hz, 3 A max

- TERMOCOPIA:** Utilizzare tipo "K" / Thermocouple type "K"
Rispettare la polarità / You must ensure the polarity into clamp
Non fare giunzioni. / Do not make junction
- NTC 10K** Uguali per tutte le schede / NTC probe 10K are the same for all the PCB
- LUNGHEZZA** Lunghezza standard 2 MT eventualmente adattare // Standard length 2 meters. You can extend the wire up to 5 meters with standard wire otherwise use shield wire
